“Are you ready for a career with an authentic company?”

We have immediate openings for an experienced and reliable Master & Journeyman Electrician. Join our growing team of highly skilled electricians working on a variety of commercial and industrial electrical projects.

Master / Journeyman Electrician Duties and Responsibilities

- Plan and complete commercial and industrial projects and/or service work
- Follow specifications on blueprints or technical drawings
- Conduct installations and repairs to code
- Troubleshoot and make repairs to equipment and machines
- Most projects are local to the Milwaukee area

Master / Journeyman Electrician Requirements and Qualifications

- High school diploma or equivalent
- Current Master or Journeyman Electrician's license
- 5+ years of experience as an electrician in commercial and industrial settings
- Able to read blueprints, technical drawings, and diagrams and follow specifications
- Working knowledge of commercial and industrial electrical systems
- Valid driver's license
- Must be able to pass a background check and drug screening
- Able to work independently and also with teams
- Customer service skills

Master / Journeyman Electrician Physical Requirements:

- Lift, carry, load and unload heavy materials, supplies and equipment daily
- Reach, bend, twist and crawl into tight spaces
- Ladder and stair climbing while carrying items and maintaining 3 points of contact
- Perform overhead cabling/wiring from ladders and lifts
- Push and pull multiple wires/cables at a time

About Wire Wright LLC:

We are a small electrical and low voltage company that performs small to medium (and sometimes large) scale projects with a focus on customer satisfaction and developing strong relationships. **Our relationships have been built over time and continue to grow through trust.**

Our website is under construction: www.wirewrightllc.com

“For someone who embraces a strong culture at a smaller company, Wire Wright provides an environment to, “Do it right”, focus on the Customer and problem-solve daily. There is room for growth and flexibility on a team that feels like family.”
