“Are you ready for a career with an authentic company?”

We have an immediate opening for an experienced and reliable Low Voltage – A/V Technician. Join our growing team of highly skilled technicians working on a variety of commercial and industrial low voltage and A/V projects.

Low Voltage – A/V Technician Responsibilities:

- Analyze blueprints effectively and plan the work
- Pull, terminate and test cable and fiber
- Install Head-end equipment and build rack(s)
- Install equipment including but not limited to jacks, speakers, televisions, monitors, cameras, projector screens, microphones, etc.
- Conduct expert level of troubleshooting of systems
- Program and test systems, and train the client

Low Voltage – A/V Technician Requirements:

- 2-3 years as a data installer/technician preferred
- In-depth knowledge of low voltage, data and A/V equipment
- Experience with Logitech, Neat, Yealink, Barco
- BICSI certification a plus
- Excellent troubleshooting skills
- Valid driver's license
- Must be able to pass a background check and drug screening
- Able to work independently and also with teams
- Customer service skills

Low Voltage – A/V Technician Physical Requirements:

- Lift, carry, load and unload heavy materials, supplies and equipment daily
- Reach, bend, twist and crawl into tight spaces
- Ladder and stair climbing while carrying items and maintaining 3 points of contact
- Perform overhead cabling/wiring from ladders and lifts
- Push and pull multiple wires/cables at a time

About Wire Wright LLC:

We are a small electrical and low voltage company that performs small to medium (and sometimes large) scale projects with a focus on customer satisfaction and developing strong relationships. **Our relationships have been built over time and continue to grow through trust.**

Our website is under construction: www.wirewrightllc.com

“For someone who embraces a strong culture at a smaller company, Wire Wright provides an environment to, “Do it right”, focus on the Customer and problem-solve daily. There is room for growth and flexibility on a team that feels like family.”
